A blank passenger manifest has been included in this planner and must be filled out prior to entering the National Park. You will notice that rental houseboat are NOT allowed to have more than 12 passengers (this includes children). Fines can be in the thousands of dollars and are your responsibility. This is a U.S. Coast Guard requirement and is a result of the Passenger Vessel Act of 1993.

You may bring this completed document with you when you arrive.

## Charter Agreement

A “charter agreement” has been included in this planner and **MUST** be signed prior to boarding your houseboat. This is the agreement between you and Ebel’s for the rental of the houseboat. You will not be allowed to board the houseboat until the signed agreement has been returned to the office.

## Extra Rental Equipment

Please let us know in advance if you will be needing any “extra” rental equipment. This may include small boats (one is included, no motor), small motors, generators, linens (check FAQ’s if these are included with your houseboat), CPAP, charger and generator (if your houseboat does not have one), canoes and kayaks

## What to expect upon arrival.....

1. Plan on arriving AFTER 1:00 PM and PRIOR to 5:00 PM.

3. Pay for your houseboat and any "extra" rental equipment.

6. Inspect your houseboat with a crew member.

11. When all the above items have been done, your instructions will begin.
12. Please be sure to LISTEN to all instructions. SAVE your questions until the instructions are done.
13. Once your crew instructor is sure that you fully understand the instructions you will set sail!
14. Our crew member will accompany you for a short cruise (they will tow a boat to return to our base) and you will be on your own to venture in our beautiful National Park.

## THE EBEL'S LOGO.....

The Ebel's logo uses a series of ancient Indian pictographic symbols to reflect the profound spirituality that man has always experienced as he has moved through the wild natural beauty of the northern border lakes region. The design is composed of four interlocking Indian symbols. Each symbol is believed to depict one of the four life forces that come together to create the world as the native Americans of the north woods saw it. The moose symbolizes the land and the wildlife that roam across it. The fish represents the lakes and the creatures that dwell there. The spiral form stands for air, wind and the heavens. And the human form is man taking his position as a humble yet essential part of this universe.
