

Hello from Ebel's!

Our 2023 season is ahead of us, and we have a few new policies and reminders that we would like to make our guests aware of. Please read and share this with your party prior to arrival to make any plans that may affect your vacation.

MOORING

****** We recommend having at least two able-bodied people to help moor the houseboat onto shoreline.***

OVERNIGHT PERMITS

Please be sure to have your overnight permits printed for the check in process. We will need to place them on the houseboat for you. If you have not purchased them visit <http://recreation.gov>. ***You will choose the Kabetogama, Namakan, Sand Point and Crane Lakes.*** Rainy Lake is not accessible by houseboat.

PET POLICY

Ebel's is 100% pet friendly! We have a \$100.00 per pet charge for the stay and have a two-pet maximum per houseboat. You will need to pay this at check-in.

EXTRA RENTALS

A small boat is included with your houseboat, you may bring your own boat or your own motor for our small boat. You can also rent from us. You must have a boat and motor in tow. ***Motor rentals are \$55/day or \$250/weekly.***

PILLOWS/BLANKETS

There are no pillows or blankets provided on ANY houseboat. Please bring your own.

SMOKING

All houseboats are non-smoking. Please smoke outside. There will be a \$500 cleaning fee for smoking inside the houseboat cabin.

CELL PHONES

AT&T provides the best cell phone coverage. You will have business band radio coverage 24/7 in case of emergencies.

NAVIGATION

We highly recommend you download the Navionics application to your smart device. This is a useful secondary tool in navigation, with the provided maps being the first tool in navigation. You cannot navigate with google maps.

CPAP BATTERY RENTALS DISCOUNTUED

We are experiencing difficulties with CPAP battery setups. Machines have changed and our setups are not able to handle new technology. Therefore, we are going to discontinue rental of battery packs and ask that you make arrangements with your health provider for battery use. ***Remember that generators ARE NOT ALLOWED to run at night!*** Your provider or Amazon sell battery set ups!

CREDIT/DEBIT CARDS

We will add a 3% surcharge for all credit/debit card use. Alternate forms of payment can be check or cash.

Thank you and see you soon!

Escape to the wilderness without leaving anything behind!

Passenger Manifest

A passenger manifest will be sent to you electronically to fill out and sign. You will notice that rental houseboats are NOT allowed to have more than 12 passengers. This includes children. This is a U.S. Coast Guard regulation and is a result of the Passenger Vessel Act of 1993. Fines are in the thousands of dollars and are your responsibility.

Charter Agreement

A charter agreement will also be sent to you electronically to sign. This is the agreement between you and Ebel's for the rental of the houseboat. You will not be allowed to board the houseboat until the signed agreement has been returned.

Extra Rental Equipment

Please let us know in advance if you will be needing any extra rental equipment. This may include small boats (one is included, no motor), small motors, generators, canoes, kayaks, etc.

What to expect upon arrival.....

1. Plan on arriving AFTER 1:00 PM and PRIOR to 4:00 PM.
2. Check in with office. Bring your signed overnight permit with you!
3. Pay for your houseboat and any "extra" rental equipment.
4. Your houseboat will be assigned to you.
5. An Ebel's crew member will accompany you to your houseboat.
6. Inspect your houseboat with a crew member.
7. A "crew" member will help you load your belongings.
8. Put your own boats in the water on our boat ramp.
9. Ask your crew member where to park. This is very important, as we have limited parking and need to make good use of the parking area that we have. You may be asked to disconnect your trailer. This trailer will need to be marked by our crew.
10. Order ice, bait, firewood and any items that you may want to purchase from Ebel's. A running tab will be held for you and will be paid at the end of your trip for payment with the fuel that you used.
11. When all the above items have been done, your instructions will begin.
12. Please be sure to LISTEN to all instructions. SAVE your questions until the instructions are done.
13. Once your crew instructor is sure that you fully understand the instructions you will set sail!
14. Our crew member will accompany you for a short cruise (they will tow a boat to return to our base) and you will be on your own to venture in our beautiful National Park.
15. Please have fun!
